

# Come Back Home (Stripped)

Sofia Carson

We're drowning in our eyes  
Don't know what we'll find  
Not sure, should we fly or fight this?  
We're terrified

Pretending not that we don't care  
But tension cuts, cuts the air  
We're more than scared  
I'm drowning in your eyes  
I'm terrified

I don't know what's happening to me  
Can you hear my pulse beat underneath?  
Words are getting hard for me to speak  
That's new for me

Letting my fears show 'til I can face 'em  
Letting my tears go 'til I can taste them  
Hell, what do I know? Where you and I'll go  
Damn it, I hope you come back home

Come back home

It's hard to sleep at night  
When it's do or die  
While our world spins 'round and 'round  
And we're paralyzed

Pretending not that we don't care  
But tension cuts, cuts the air  
We're more than scared  
So lost inside our eyes  
We're terrified

Letting my fears show 'til I can face 'em  
Letting my tears go 'til I can taste them  
Hell, what do I know? Where you and I'll go  
Damn it, I hope you come back home

Come back home  
Come back home

I don't know what's happening to me  
Can you hear my pulse beat underneath?  
Words are getting hard for me to speak  
That's new for me

Letting my fears show  
Letting my tears go  
Hell, what do I know? Where you and I'll go  
Damn it, I hope you  
Come back home
