

# Do You

Sofia Carson

Get up on your feet  
Get down to the beat, oh  
Come on let's live it now  
(Come on, Come on, Come on now)  
Put on your dancing shoes  
We got nothing to lose  
Take on the lights  
Now's your chance  
Get on the box and wave your hands  
(Woooooo)  
Everybody's got to move  
What's your excuse  
Come on  
Do you  
Oh, time to play while working through, yeah  
There's no excuse  
Come on  
Do you  
Do you  
Come on  
Do you  
Do you  
Come on  
Do you

Oh  
O-oh  
We're shaking off the blues  
And making our own rules  
Take on the lights  
Now's your chance  
Get on the box and wave your hands  
Everybody's got to move  
What's your excuse  
Come on  
Do you  
Oh, time to play while working through, yeah  
There's no excuse  
Come on  
Do you

Oh  
Everyone do you  
(Everybody)  
Keep on dancing  
Everyone do you  
(Do you)  
Keep on dancing

Oh  
There's no excuse  
Come on  
Do you  
(Hey, hey, heeeeeey)  
Do you  
(Hey, hey, heeeeeey)  
Do you

(Hey, hey, heeeeey)

Ooooooh

Do you

Do you

Do you

What's your excuse

Come on

What's your excuse

Come on

Do you
