

# Full Throttle

Sofia Carson

Heeeeeeyyyyyy yeeeeaaaahhhh...  
Working all day  
Don't do a thing  
Life's what you make it  
You're in the driver's seat

Rev your engine  
Crank the ignition  
Give me the key  
Don't need your permission

Mamma always told me  
There's nothin in this life to feeeeaaaarrrr  
You're gonna miss me  
I'm zero to sixty kickin it in to gear

I'm in control  
I'm behind the wheel  
And I'm gonna steer  
Where I want to steer (yeah!)

I'm in control  
I'm behind the wheel  
And I'm gonna steer  
Where I want to steer

Yeeeeaaaahhhh!!!!

Go full throttle  
Go full throttle oh oh oh  
Go full throttle  
Pedal to the metal oh oh oh  
Nothing to fear  
Get yourself in gear  
And go full throttle  
Go full throttle oh oh oh
