

# Guess I'm A Liar

Sofia Carson

I told you I'd never give up  
I don't know if I knew  
What a few words could do  
I bought into the dream of us  
Yeah, I believed in it too  
So I looked straight at you

And I promised I would love you 'til  
The day I die, but I'm still alive  
Swore that if I ever lost you  
I would sit and cry, but my eyes are dry

So I guess I'm a liar now  
'Cause you ain't out here tonight  
And I never had such a good time (Ooh)  
I guess I'm a liar now  
'Cause I'm lovin' myself real good  
In a way that you never could (Ooh)  
I guess I'm a liar

You were the best I ever had  
I said it loud, said it clear  
What you wanted to hear  
Maybe I trusted you too much  
'Cause every time I see  
Just you and I wanna see

And I promised I would love you 'til  
The day I die, but I'm still alive  
Swore that if I ever lost you  
I would sit and cry, but my eyes are dry

So I guess I'm a liar now  
'Cause you ain't out here tonight  
And I never had such a good time (Ooh)  
I guess I'm a liar now  
'Cause I'm lovin' myself real good (Real good)  
In a way that you never could (Ooh)  
I guess I'm a liar

Promised I would love you 'til  
The day I die, but I'm still alive

So I guess I'm a liar now (Uh, uh, oh)  
'Cause you ain't out here tonight (Tonight)  
And I never had such a good time (Ooh)  
I guess I'm a liar now (Now)  
'Cause I'm lovin' myself real good (Real good)  
In a way that you never could (Ooh)  
I guess I'm a liar  
'Cause you ain't out here tonight (Oh)  
And I never had such a good time (Ooh, oh)  
I guess I'm a liar now (Now)  
'Cause I'm lovin' myself real good  
(I'm lovin' myself real good)  
In a way that you never could  
(In a way that you never could, ooh)

I guess I'm a liar
