Sugar

Sofia Carson

I knew from the first night, and I haven't been the same since
'Cause when we kiss, it's like (It's like) cherry licorice on my lips
I start to hear music that I haven't heard before
Don't know how you do this (Do this), but I know how to love some mor
e (More)
So kiss me some more

You taste just like sugar, my sugar, sugar high
I like it, but I shouldn't, so good that I could die
And, oh my God, the sweet paradise with you by my side
Oh, baby, say you'll be mine
My sugar, my sugar, sugar high
I like it, but I shouldn't, so good that I could die
And, oh my God, the sweet paradise with you by my side
Oh, baby, say you'll be mine
My sugar

My mama said, "Careful" (Careful), "Too much honey makes you lovesick
"
I said, "If you say so," but I can't stop thinking 'bout him
I start to hear music (Music) that I haven't heard before
Don't know how you do it, but I know how to love some more (More)
So kiss me some more

You taste just like sugar, my sugar, sugar high
I like it, but I shouldn't, so good that I could die
And, oh my God, the sweet paradise with you by my side
Oh, baby, say you'll be mine
My sugar, my sugar, sugar high (My sugar)
I like it, but I shouldn't, so good that I could die (I could die)
And, oh my God, the sweet paradise with you by my side
Oh, baby, say you'll be mine
My sugar

'Cause every time you leave, you know I miss your face
'Cause I love you, love you, love you, love you, love you, babe
I'm whipping cotton candy clouds with you for days
Baby, it's not that bad to crave

Sugar, my sugar, sugar high
I like it, but I shouldn't, so good that I could die (I could die)
And, oh my God, the sweet paradise with you by my side
Oh, baby, say you'll be mine
My sugar, su-sugar, sugar high
I like it, but I shouldn't, so good that I could die
And, oh my God, the sweet paradise with you by my side
Oh, baby, say you'll be mine
My sugar
