

Just For You

Sofia Karlberg

So when's a good time to tell you that I'm
Terrified
I'll offer it up, I hope it's enough
It's all I've got

Break my ribs apart and take this heart

Just for you
Just for you
Just for you
Just for you

Your voice on the phone
Sing to me, I'm on the last train home, mmh
Nineteen hours ago
Watched you put on your coat in the door and
Every morning, watching you yawning
I could go on, I could on

Break my ribs apart and take this heart

Just for you
Just for you
Just for you
Just for you

Just for you, just just for you
Just for you, just just for you
Just for you, just just for you
Just for you, just just for you
Just for you, just just for you
Just for you, just just for you
Just for you, just just for you
Just for you, just just for you

Just for you
Just for you
Just for you
Just for you
