I get goofy every time I hear you say my name, ooh-ah
Let's go

I'm running in circles
I'm running all around you
This love is internal
Oh yeah, yeah
Oh yeah, yeah, eh
Got me jumping them hurdles
Only do it for you (Aha)
One kiss, I'm maternal
Oh yeah, yeah
Oh yeah, yeah

Mira, que te enseño, solo préstame tu lengua
Para ver como tu cuerpo con el mío juega Jenga
Telling you, wanna get loose? (Oh)
All of my body on you

Ooh-ah, wanna ride it like a Range Rover
Losing your mind, losing composure
Take it low, we take it low
I get goofy every time I hear you say my name
Ooh-ah, body move like it's a controller
Hundred on a gas is a big motor
Take it low, we take it low
I get goofy every time I hear you say my name, ooh-ah
Ooh-ah (¿Cómo, cómo?)
Motor (Sube, sube, sube)
I get goofy every time I hear you say my name (Yo sabía)

We don't need no rehearsal
Yeah, we do it one time, yeah
Lovin' how you're so verbal
Oh yeah, yeah
Oh yeah, yeah

Ah, mira, que te enseño, solo préstame tu lengua
Para ver como tu cuerpo con el mío juega Jenga
Telling you, wanna get loose?
All of my body on you

Ooh-ah, wanna ride it like a Range Rover (Ayy)
Losing your mind, losing composure
Take it low, we take it low
I get goofy every time I hear you say my name
Ooh-ah, body move like is a controller (Oh)
Hundred on a gas is a big motor
Take it low, we take it low

I get goofy every time I hear you say my name, ooh-ah (Yeah)
Ooh-ah (Ah, ah, dale, ahí, ahí)
Motor (Uh-ah, uh-uh-ah)
I get goofy every time I hear you say my name (De La)

You say, "Goofy", girl, yo digo: "Lost for words" (Oh)
You like a boss, baby, dime y yo me monto (Oh)
Yo te busco en el Royce o en el Lambo (Oh)
Just tell me dónde quiere' y te lo mando
Okey, ella e' de la calle, ella quiere al jefe del bloque (Del bloque)
Su cuerpo que la controle porque ella nunca está conforme (Okey)
Tiburón de agua dulce (What?), yo te dejo que me use' (Yeah)
Siempre caigo en tu trampa, me gusta cuando me seduce'

Hey, mira, que te enseño, solo préstame tu lengua (Yeah)
Para ver como tu cuerpo con el mío juega Jenga
Dime si tú quiere' estar loose
To'a la noche just me and you (Ooh, ah, ooh, ah)
Geezy

Ooh-ah, wanna ride it like a Range Rover
Losing your mind, losing composure
Take it low, we take it low (Low)
I get goofy every time I hear you say my name (Ah, ah, ah)
Ooh-ah, body move like is a controller
Hundred on a gas is a big motor
Take it low, we take it low (Take it low, take it low)
I get goofy every time I hear you say my name, ooh-ah
