

# Louder! (Love Is Loud)

Sofia Reyes

Me llevas lejos a otro lugar  
Take me to this [?], uh, uh  
Y es que no quiero despertar  
I'm dreaming like a kid in Neverland, uh, uh

You gotta feel it, feel it  
Every gonna be the one you gotta treat 'em like you mean it, mean it  
Es un desfile celular  
I'm dancing by them feeling paralyzed, uh, uh

I just wanna get louder  
I just wanna get lost  
Set my heart on fire, solitos los dos  
Te necesito cerca, I need, I need you close  
I want your love

Louder!

Louder!

Louder!

Tenemos el calor del Sol  
Your kisses touch me deep inside my soul, uh, uh  
Veo las cosas como son  
Baby you look hotter than the Sun, uh, uh

Boy don't you see it, see it  
All I ever want is you to show me that you beat it, beat it  
Mi vida tiene otro sabor  
Sweet like sugar is all I'm looking for, uh, uh

I just wanna get louder  
I just wanna get lost  
Set my heart on fire, solitos los dos  
Te necesito cerca, I need, I need you close  
I want to love

Louder!

Louder!

Hey, señorita!, uh  
Hey, mamacita!  
I show you how I get loved  
Hey, señorita!, uh  
Hey, mamacita!  
I show you how I get loved

Break it down  
Break it down

Break it down  
Break it down

Hey!  
Louder!

Louder!

Louder!

Louder!

Louder!

La, la, la, la, la, la
