

Back To Nature

Soft Cell

Back to nature
Caravan on Canvey sands
Back to nature
Glucose filled, and programmed to respond

It's gonna rain all night
But we'll be alright
Under the geodesic dome
Infrared heats it just like home
Sitting in the shade of a rubber tree
I'll kiss you and you'll... kiss me

Back to nature
Burning bodies in the sun
Back to nature
Just like lemmings, everyone

Sitting in the shade of a rubber tree
I'll kiss you and you'll... kiss me

Back to nature
With my back to nature
Turn my back to nature
Back to nature
