

## Cleansing Fanatic

Soft Cell

Cleaning the house is my idea of pleasure  
I get a thrill when I polish the windows  
I get on my knees and I scrub for enjoyment  
Cleaning the toilet is also relaxing

I spend my evenings washing my body  
Roll-on deodorant is my way to get high  
My hair is so natural, it's washed every hour  
Covered in soap for a feeling of power

I had a family, but they were so dirty  
So I sat them down and made them drink bleach  
Now they're all clean and don't make a mess  
They lie in a tanker of disinfectant
