

Defiant

Soft Cell

Defiant, defiant
Defiant, defiant
Defiant, defiant
Defiant, defiant

We're members of the human race, people all as one
I don't need a label to tell me I belong
I say just what I feel, won't be trodden under heel
And who are you to tell me that I'm wrong?

I'll never give in or surrender
And to myself always be true
I'll always be free and defiant
I won't be compliant to you

Defiant, defiant
Defiant, defiant

So flight the flight in oh so many many colours
I'll flight wild in my own design
So fly yours in your many variations
But don't tell me how I should be flying mine

I'll never give in or surrender
And to myself always be true
I'll always be free and defiant
I won't be compliant to you

Defiant, defiant
Defiant, defiant
Defiant, defiant
Defiant, defiant

I'll never give in or surrender
And to myself always be true
I'll always be free and defiant
I won't be compliant to you

(Defiant, defiant...)
I don't want your reeducation
It all sounds too Orwellian, you see
No cancellations for my information
My own experience gives validity
