

New York City, 1981  
I was lost in the junkie jungle  
I called in to the Factory on Union Square  
For a Warhol introduction

He saw me, and he said "Hi"  
And I said "Hi", and he said "Gee"  
And he asked me, and I asked he:  
A polaroid of me and he?

Saw right through him, and he through me  
Transparent men and mannequin  
"Great," I said, and he said, "Gee"  
And that was it, and that was we

He saw me, and he said "Hi"  
And I said "Hi", and he said "Gee"  
And he asked me, and I asked he:  
A polaroid of me and he?

I've got this, erm, polaroid picture, and it just takes the face of the person, I-I haven't learned how to do the body yet, but they usually... always come out great

But in my head, it all played out  
In a silver-foiled room at the Factory  
Joe Dallesandro, Candy Darling  
Jackie Curtis and Pope Ondine  
A crazy, groovy Warhol scene  
The Velvet Underground playing "Heroin"  
And Nico danced in oil wheel lights  
And Lou Reed had me in his sights

He saw me, and he said "Hi"  
And I said "Hi", and he said "Gee"  
And he asked me, and I asked he:  
A polaroid of me and he?

I'm the new girl in town, and I meet Rita Hayworth, Jane Fonda, Lana Turner, Kim Novak, all the glamour girls. And I interviewed them and kept them apart, and then at the end of [?]  
Oh, just... well, actually, just, I try to make... try to make people look good. That's what I did

New York City, 1981  
I was lost in the junkie jungle  
Called to the Factory on Union Square  
For a Warhol introduction  
And now, if we exist at all  
A polaroid stuck on my wall  
Feel like my dreams  
Were really just nothing at all

He saw me, and he said "Hi"  
And I said "Hi", and he said "Gee"  
And he asked me, and I asked he:  
A polaroid in he and me?

This picture just takes a... picture of, um... just the face, and that seems to, err, I don't know, there's something about the camera that makes it look, err, make it just, um... just right. And it... it takes their head shots, it's like getting a passport picture. I, uh, y'know, take a half a picture from a picture and another picture and from...

(A polaroid, polaroid, polaroid, polaroid...)

I'm the new girl in town, and I meet Rita Hayworth, Jane Fonda, Lana Turner, Kim Novak, all the glamour girls  
It just takes the face of the person, I... I haven't learned how to do the body yet... I-  
I've done it, but not really. They usually always come out great
