Lonely
I'd like to drown me in my coffee
Counting hours with cappuccinos

Sitting framed within the window

I sit here acting like I'm reading
I'm lonely
I'm reading minds

And sadly dreaming
There's some of me left to believe in

Surrender

Surrender

That businessman smell
Found in one night hotels
The sheets are unwashed
Tobacco and sweat
From the stories they tell

And initials in dust

The man at the desk
Throws you looks of disgust

Soon I'll try hard to lose you Drown you in my cappuccino

Surrender Surrender

Sodom and Gomorrah Come tomorrow

I won't know you from Adam or Eve Look me in the eyes And tell me you love me Once, before you leave

Surrender Surrender
