

You Kill Me

Soft Cell

Shallup dup, shallup dup, shallup dub, shallup dub

When you walk into the room you kill me (shallup)
When you glide across the floor you kill me (shallup)
Every little thing you do you kill me (shallup)
You kill me (oooh shallup)
Yeah you might as well turn the gun on me
You take away my life I'll never be free
Over and over you kill me (shallup), you kill me (oooh shallup)

Flashing your eyes and I fall to the ground
My heads turns to jelly when your walking around
Breaking my heart like a knife in the chest
You committed a crime but I am under arrest

Sometimes I think you don't love me at all
(Shallup dup, shallup dup)
My life's in your hands and I'm on free fall
(Shallup dup, shallup dup)

You're giving me a look like I'm dirt and I'm hurt
You smile sometimes and you even flirt
It's cyanide on a roller coaster ride
You're diddlin out shade and I'm dying inside

Sometimes I think you don't love me at all
(Shallup dup, shallup dup)
My life's in your hands and I'm on free fall
(Shallup dup, shallup dup)

Looking in your eyes is suicide
Pulling at my heart and squeezing it dry
Your whisper in my ear and it's baby bye bye
You kill me, you kill me (oooh shallup), you kill me
(Oooooooh shallup, oooooooh shallup, oooooooh shallup)
You kill me (shallup dup, oooh shallup dup)

Flashing your eyes and I fall to the ground
My heads turns to jelly when your walking around
Breaking my heart like a knife in the chest
You committed a crime but I am under arrest

Sometimes I think you don't love me at all
(Shallup dup, shallup dup)
My life's in your hands and I'm on free fall
(Shallup dup, shallup dup)

You kill me, you kill me, you kill me, you kill me
You kill me, you kill me, you kill me, you kill me
