

# Consume Or Be Consumed

SOFT PLAY

WAAAAA

Coca-cola!

Consume or be consumed

Consume or be consumed

I've got the whole fucking scene on my dinner plate  
Try and imitate, intimidate and get incinerate  
And it's my job to shift and twist the fate and innovate the views in  
this debate

I'll make these weak guys disintegrate  
Might have to go full steam on these little fakes  
Making moves while these Mickey takes are doing figure eights  
Invigilator, check out my target then obliterate  
Lap these wise guys five times

Consume or be consumed

Consume or be consumed

Dinosaurs with tiger claws and Minotaurs in lycra shorts  
That's what happens when I take the time to pause and write my thoughts

I've tried to fight the force but I can't find the right support  
So I'll just do a bomb of sea salt and snort a line of chalk  
Sometimes I'm online wanking over cyber porn  
Other times I'm in your shower sniffing your conditioner  
Might take a psycho walk up psychopath  
Cut both my legs off

Consume or be consumed

Consume or be consumed

Out on a mini quest, something you've never seen before  
Go on tour, chop off the dick of a Minotaur  
News reports of stolen thoughts  
Getting caught, day in court  
Out of sorts, take no shorts  
Always quick to blame and fault  
Now get your shit together, brother  
Caught out with your junk up

Consume or be consumed

Consume or be consumed

You will consume

You'll eat what you are fed

Breath in the dirty air people

Take a bite

Open wide

EAT IT!

Take control
