

Despair And Traffic

SOFT PLAY

Signals flying through the air
Who discovered they were there?
Darling, don't be so dramatic
It's not all despair and traffic
Paralysed in paradise
Dining with the parasites
Interspecies intercourse
Old land, new laws

This is life
This is life
This is life

Another day, another train
Painkillers kill the pain
Bend down, pick it up
Cut it out, stick it up
Who am I to say a thing?
Look at us developing
Modern day machinery
Gaining productivity

This is life
This is life
This is life

This is life, this is life
Darling, don't you realise?
This is life, this is life
You ain't got to realise
This is life, this is life
This is life
This is life
