SOFT PLAY

I tried to retire then you set my house of fire
And you killed my dog
You killed my fucking dog
I'm John Wick bitch
And I'm angry

Give me a pencil give me a book
You can get your fucking whole life took
I'm John Wick bitch
And I'm angry

I'm John Wick bitch
I'm John Wick bitch

I won't stop till there's none of you left
I'm John Wick bitch
And I'm angry

John Wick 5 bitch I'm still alive
I'm a cockroach man the way I survive
