

White Knuckle Ride

SOFT PLAY

Somebody please get me off this white knuckle ride
Before I choke to death swallowing my pride
We were getting along famously, so what the fuck happened?
You say words that I don't approve of, and I've said some terrible sentences

I love you more when you're angry with me
Cause you're so boring when you're nice
I love you more when you're angry with me
Cause you're so boring when you're, when you're nice
When you're nice
When you're nice
When you're nice
When you're nice

Somebody please get me the fuck off this rodeo
Wherever I go you're just a stone's throw away
I'd rather die on my feet than live on my knees
I'd rather die on my feet than live on my knees

I love you more when you're angry with me
Cause you're so boring when you're nice
I love you more when you're angry with me
Cause you're so boring when you're, when you're nice
When you're nice
When you're nice
When you're nice
You're so boring when you're nice to me
Oi!

Somebody please get me off of this white knuckle ride
(Somebody please get me off of this white knuckle ride)
Before I choke to death swallowing my pride
(Before I choke to death swallowing my pride)
We were getting along famously
(We were getting along just famously)
So what the fuck happened? What the fuck happened?
What the fuck happened? What the fuck happened?
What the fuck happened? What the fuck happened?
What the fuck happened? What the fuck happened?
What the fuck happened? What the fuck happened?
What the fuck happened? What the fuck happened?
