

I Won't

SOHN

Won't leave you hanging while I go
Won't be a lover on the road
Won't be afraid to hold my own
Won't be another that I'll hold

I won't, I won't
I won't, I won't
I won't, I won't
I won't, I—

Won't have to lie to prove my heart
Won't be a stranger when apart
Won't let you go if you depart
Will not forget my end, my start

I won't, I won't
I won't, I won't
I won't, I won't
I won't, I—

Won't end up lonely with you there
Won't be ashamed to lose my hair
Won't ever give in to despair
Won't let you fall no when, nowhere

I know I won't
I won't, I won't
I won't, I won't
I won't, I—
I won't, I won't
I won't, I won't
I won't, I won't
I won't, I—
