Sohodolls

(Oh, hey!)  
(Oh, hey!)

Honey, come pull up a chair  
Yeah, you know that I care about your fate  
I see what you do  
They are coming for you  
Don't bend, don't break  
And I was good too long  
Doing it all wrong  
I wanted to belong  
I took off my mask, and now I'm free

No, no, they've gotten away  
Yeah, all of my life playing nice and polite  
Hey, ho, watch how I roll  
All about the sugar and the spice  
'Cause I want you to know

I can be good and sometimes clever  
But when I'm bad, I'm so much better  
Oh, hey

Oh, boy  
I had to break the rules, they were made by fools  
Who did not dare snap the handcuffs on  
I'm gonna drag you along  
I wanna get you there  
And due to my nature, I'm out of my cage, yeah  
So, hello  
I don't wanna hurt you  
I just wanna let go, let go

No, no, they've gotten away  
Yeah, all of my life playing nice and polite  
Hey, ho, watch how I roll  
All about the sugar and the spice  
'Cause I want you to know

I can be good and sometimes clever  
(Na, na, na, na, na, na, na, na)  
But when I'm bad, I'm so much better  
(Na, na, na, na, na, na, na, na)  
Oh, boy  
Honey

Dominant, arrogant, n'importe quoi  
I only think of the thrill  
Intelligent, decadent, ooh la-la-la  
I'm gonna dress like a kill  
Dead of the night, prince of the night  
Taking command and control  
I wanna kick, to rule with it  
Cocky, bossy, goal

I can be good and sometimes clever  
But when I am bad, I'm so much better

I can be good and sometimes clever  
(Na, na, na, na, na, na, na, na)  
But when I'm bad, I'm so much better  
(Na, na, na, na, na, na, na)
