Sohodolls

We like to stay dreaming, lost inside our minds
Booming, drums are beating on a never-ending night
Got to keep on moving, searching for a sign
We'll know when we find it, it's the reason in our eyes

Are you like me? Don't know where you're running to?
Are you like me? Do you know what you're running from?

Coming out the basement, the crazier the better
Make a new nation, thread it all together
Welcome to my kingdom, freedom is the tether
Make a new nation, thread it all together

Oh-la-la-la, oh-la-la-la
Oh-la-la-la, oh-la-la-la-la-la-la-la-la

Survival of the maddest, this is what it takes
To scare off all the baddest, leave them fading in our wake

Are you like us? You don't have to run and hide
Are you like us? Put on all your red [?] lights

Coming out the basement, the crazier the better
Make a new nation, thread it all together
Welcome to my kingdom, freedom is the tether
Make a new nation, thread it all together

Oh-la-la-la, oh-la-la-la
Oh-la-la-la, oh-la-la-la-la-la-la-la-la

Oh-la-la-la, oh-la-la-la
Oh-la-la-la, oh-la-la-la-la-la-la-la-la

Coming out the basement, the crazier the better
Make a new nation, thread it all together
Welcome to my kingdom, freedom is the tether
Make a new nation, thread it all together

Coming out the basement, the crazier the better
Make a new nation, thread it all together
Welcome to my kingdom, freedom is the tether
Make a new nation, thread it all together
