Pressure Drop

Soja

We was you (Oh yeah)
We was you, you (Oh yeah)
We was you (Oh yeah)

I say, pressure drop, oh, pressure
Oh yeah, pressure going to drop on you
I say, a pressure drop, oh, pressure
Oh yeah, pressure going to drop on you

I say, when it drops, oh, you gonna feel it
You were doing wrong
I say, when it drops, oh, you gonna feel it
That you were doing wrong

I say, a pressure drop, oh, pressure
Oh yeah, pressure going to drop on you
I say, a pressure drop, oh, pressure
Oh yeah, pressure going to drop on you

We was you (Oh yeah)
We was you, you (Oh yeah)
We was you (Oh yeah)

I say, pressure drop, oh, pressure
Oh yeah, pressure going to drop on you
I say, a pressure drop, oh, pressure
Oh yeah, pressure going to drop on you

I say, when it drops, oh, you gonna feel it
You were doing wrong
Pressure drop oh, you gonna feel it
That you were doing wrong

Pressure drop
Pressure, pressure, pressure, pressure
Pressure drop, oh, pressure, pressure
Pressure, pressure, pressure
I say, a pressure drop, oh, pre'
Oh, pressure, pressure
