

Things You Can't Control

Soja

Don't worry about the things you can't control
Don't worry about the things you can't control
Holding on so tight, just let it go
Don't worry about the things you can't control

What is life? What does it mean to me?
Trying to keep my head up swimming in eternity
Just go with the flow and plant a seed
The harder the wind, the stronger the tree

Don't worry about the things you can't control
Don't worry about the things you can't control
Holding on so tight, just let it go
Don't worry about the things you can't control

So intense searching endlessly
Trying to find what we can't see
Sometimes it feels like a bad dream
But we're wide awake right now
And this was meant to be

Don't worry about the things you can't control
Don't worry about the things you can't control
Holding on so tight, just let it go
Don't worry about the things you can't control

Wo ohh ohh, oh wo ohhh
Wo ohh ohh, oh wo
Wo ohh ohh, oh wo ohhh
Don't worry about the things you can't control
