

People Always Look Better In The Sun (Part 1)

SoKo

I thought it doesn't matter he is ugly anyway
But today was a sunny
Doesn't matter he is ugly anyway
But today I crossed his way

People always look better in the sun [x2]

And I can see in the back of your eyes
That I'll have to choose another time
To say what's on my mind
I'll have to choose another time
To say what's on my mind
'll have to choose another time
To say that

People always look better in the sun [x2]

It's just a sunny
Probably not the good day
To say
What's in my heart

People always look better in the sun
