

Death of the West

Sol Invictus

They're making the last film
They say it's the best
And we all helped make it
It's called "The Death of the West"
The kids from "Fame" will all be there
Free Coca-Cola for you
And Eurodisney is here
Just for me and you

The death of the west
The death of the west
The death of the west
The death of the west

They're making the last film
They say it's the best
And we all helped make it
It's called "The Death of the West"
A star has risen in our northern skies
And on that star we'll be crucified
There are chains of gold around this world
We're ruled by those who lie

The death of the west
The death of the west
The death of the west
The death of the west
