C'est La Vie

Sol

L'homme est comme un rameau flexible qu'on abaisse
Plus bas on l'a courbé, plus fort il se redresse!...

Call my fam on the phone like
This time next year we gon' be alright
We gon' be on tour 'round the world like
Remember hard times?
365 goes by we still stressed
Been blessed with success
But it's never enough for happiness
I clutch the mic like the lifeline for a newborn
Seeing the world for the first time with blurry eyes
They cut the cord and I love them for it
Mind is lost, time is gone
Such is life when you fly alone
High as hell in the ozone
Never coming down, never going home
You know

C'est La Vie
C'est La Vie
I-I say C'est La Vie
I say I say
C'est La Vie

C'est La Vie
C'est La Vie
I-I say C'est La Vie
I say I say
C'est La Vie

Living it, giving my all, wow wow
Probably wishin I fall off, ah ah
I know you know how I am feeling (C'Est La Vie)
Oh I know you know, you know, you know... Yeah!

Realist out, never down, forever good
Run the town. Low-key though
Light a tree, plant a seed
Them blowing smoke won't damage me though
No breaks when you ride the beat
No chains when your mind is free
Found peace in a crowded street
When they hit the lights all eyes on me
And I write this till my ink dry
My heart stop no lifeline
No second try. I'm getting mine
I'm on
I'm on my own
Such is life when I feel high
Such is life when I feel low
C'est la vie
Sak pase
Nap Kembe
Haiti
No sleep, Cold sheets
I been alone since I lost my Queen

But I'm king, so I dream
You can't say I don't do my thing
You know

C'est La Vie
C'est La Vie
I-I say C'est La Vie
I say I say
C'est La Vie

C'est La Vie
C'est La Vie
I-I say C'est La Vie
I say I say
C'est La Vie

Living it, giving my all, wow wow
Probably wishin I fall off, ah ah
I know you know how I am feeling (C'Est La Vie)
Oh I know you know, you know, you know... Yeah!

I've been falling in and out
Been down but I been around
And I seen some shit, I know
How it goes
Such is life - I'd do it twice
Got no regrets I live in my zone
On my own
I've been falling in and out
Been down but I been around
And I seen some shit, I know
How it goes
Such is life - I'd do it twice
Got no regrets I live in my zone
On my own
C'est La Vie

C'est La Vie
C'est La Vie
I-I say C'est La Vie
I say, I say C'est La Vie

Ecoute mon fils, voici les conseils que je te donne pour la vie:
Surtout, attends-toi à des hauts et des bas
Lorsque tu es malheureux, essaie de te rappeler que le temps est le meilleur des guérisseurs
Sois patient
Attend qu'il accomplisse sa magie
Lorsque la vie te sourit, donne-toi tout entier à la [?]
Rappelle-toi; aujourd'hui: désespoir, tristesse et solitude
Demain: espoir, joie et bonheur
