

Done Some Wrong

Sol

I just wanna find peace
Red wine and a dime piece
Maybe some music to play
Put some money away, travel the rest of our days
Real talk I been working hard
Family never been further apart
Running from something, gunning for someone
Put my trust into nothing, but if she'll love me I'll fuck and I'm gone
Something wrong with my heart, she wanna know Sol
She got Zilla the star
Used to always say don't worry nothing can tear us apart
Now she's staring at me like she don't know me no more
Broken her heart - I wish that I didn't
I opened up a storm now she kissing me different
Vagabond artist or afraid of commitment?
Already ready to move out the moment she moved in
Damn, Lately I been trippin
I want to hold on but lord you know I'm slippin
Lord you know I'm slippin

I know I know I know
Like you I've done some wrong
But we can change our ways
We can change our ways
We can change our ways, yeah

I know I know I know
Like you I've done some wrong
But we can change our ways
We can change our ways
We can change our ways, yeah

Still young, I don't wanna waste your time
Want you to know I'm the real one, real love
Instead I run around like a Young Thug
Guess it's the lifestyle, been kicking too much
I wanna be the man my father raised me to be
And a boyfriend I know that you need
I know I'm incomplete but the only thing I change
Is my sheets... Still trying to find peace
I done some wrong, yeah I done some wrong
But I prolly won't admit it till I put it in a song, yeah
Shitty excuses, dues are so lame
... That's what you're always saying
And you're right, you always right
My momma called last night. Told me "Sol, you know I'm getting old"
When you gon' bring one home? When you gon' get grown?
You must be so alone

I know I know I know
Like you I've done some wrong
But we can change our ways
We can change our ways
We can change our ways, yeah

I know I know I know
Like you I've done some wrong

But we can change our ways
We can change our ways
We can change our ways, yeah

No more acting like I know what I'm doing
No more talking like I know what I'm saying
Lord know said I'll be the first to admit it
I'm just saying that I'm ready to change

No more acting like I know what I'm doing
No more talking like I know what I'm saying
Lord know said I'll be the first to admit it
I'm just saying that I'm ready to change
