

# Need Your Love

Sol

Don't need no make up, don't need no mirror  
Don't need no nothin', no nothin' just need your here I  
Don't need no make up, don't need no mirror  
Don't need no nothin', there's nothin' that I know clearer  
Don't need no lipstick, don't need no heels  
Just need you, I need you to keep me real  
I need you, I need you, in my life  
I need you, I need you, I need you  
By my side  
I'll keep my faith, if you keep loving me right  
I'll keep my faith, if you make love to me tonight  
And if you right by my side, you'll have the time of your life  
Cause if you right by my side, you'll have the time of your life  
And I get high when you let me up the side  
Just close your eyes and I'll take you for a ride  
And I get high when you let me come aside  
Just close your eyes and let my love in your life

I need your love, love, I need your love in my life  
I need your love, I need your love  
I need your loving tonight  
I need your love, love, I need your love in my life  
I need your love, I need your love  
I need your loving tonight

I need your love, love, I need your love in my life  
I need your love, I need your love  
I need your loving tonight  
I need your love, love, I need your love in my life  
I need your love, I need your love  
I need your loving tonight

You took my swag up...  
You took my swag up...

I believe I need my space  
But believe I need you more  
Like I need sleep, like I need dreams  
Like I need rock music to tour  
Not yet show love a man  
But you keep come back like rubber band  
I understand cause I can listen  
Your eyes speak unless I'm tripping  
Slipping, but I'm falling, yeah I'm falling deep down  
My skin on you, your skin on me  
We rub under the sheets, wow  
Bring the jukebox to the rooftop  
We can watch the world burn  
Under the native sun, you're my favorite one  
You can make the world turn  
I'm crashing hard, you got to know  
You sing the blues, I'm rock and roll  
We can make hip hop if you have the soul  
Just open up I'm knocking though  
No make up, no product, no clothes  
We knocking yo, open up, I'll rock your globe  
You need me, but I need you more

I need your love, love, I need your love in my life  
I need your love, I need your love  
I need your loving tonight  
I need your love, love, I need your love in my life  
I need your love, I need your love  
I need your loving tonight x2

I need your love  
I need your love, love, I need your love in my life  
I need your love, I need your love  
I need your loving tonight  
Uh,.. starting
