

Call me, baby, say that you want it  
Call me, lately, feel that you want it  
Give you all the pain that, lately  
I've shown you  
Give you all the things I've lived through  
Fill up, give them the world and  
I know you better than them  
Give you all the depths of my wanting  
Stays to for the rest of the morning  
Give you the world that you seem to know  
Yeah, I'ma get it

Call me, baby, when you're ready  
You got to know that they're not sayin' you can

I know it  
I know it  
I know it  
I know it  
You got a lot of static  
You've got it in your bones

Call you in your name and you know you gon' get it  
Come and say the word and you know you gon' hit it

That's the way that it  
That's the way that it  
That's the way that it  
That's the way that it goes

Give you all the things I want  
Give you all the things I want  
The, all the  
All the, all the, all

After it all (All the)  
The world (All the)  
The world (All the)  
The world (All the)

Oh, baby  
Oh, oh  
Oh, oh, baby  
Oh, oh  
Oh, oh, baby  
Oh, oh, baby  
Oh, oh, baby  
Oh, oh, baby
