

# I Will Remember You

Solas

Remember the good times that we had  
I let them slip away from us when things got bad  
How clearly I first saw you smiling in the sun  
Want to feel your warmth upon, want to be the one

I will remember you  
Will you remember me?  
Don't let your life pass you by  
Weep not for the memories

I'm so tired but I can't sleep  
Standing on the edge of something much too deep  
It's funny how we feel so much but we cannot say a word  
We are screaming inside but we can't be heard

I will remember you  
Will you remember me?  
Don't let your life pass you by  
Weep not for the memories

I'm so afraid to love you, but more afraid to lose  
Clinging to a past that doesn't let me choose  
Once there was a darkness, deep and endless night  
You gave me everything you had, you gave me light

I will remember you  
Will you remember me?  
Don't let your life pass you by  
Weep not for the memories

I will remember you  
Will you remember me?  
Don't let your life pass you by  
Weep not for the memories
