

## Prayer Of A Son

Solefald

You are my tree of life  
The nine worlds of manhood  
I drink to you my father  
I was like the apple in the hand of the giant  
Once you were small small like me  
Once you were the son of a man  
Who was the son of a man  
My Father  
My eyes bleed as you age  
Stay on the screen  
On which the worlds are shown  
Stay in the hall where I was safe  
Protect me Father  
Protect me from the evils  
I cannot combat alone
