

## Direction

Solence

When I am lost when I am Down  
When I feel cold and I can't find  
The right, direction

I've got a compass inside my chest  
Gives me direction gives me a sense  
Where that I should go, of who I should be  
What I should aim for, what I should believe

Helps me find my way (sometimes it's not easy to see)  
Helps me find my way

When I am lost, when I am down  
When I feel cold and I can't find  
The right, direction  
When I am lost lousing my mind  
When I feel cold and I can't find  
The right, direction

I've got a compass inside my chest  
Gives me my purpose, gives me my strength  
Sent from my mother sent from my dad  
Shows me my future, shows who I am  
(Helps me find my way) Helps me find my way

When I am lost, when I am down  
When I feel cold and I can't find  
The right, direction  
When I am lost lousing my mind  
When I feel cold and I can't find  
The right, direction (direction)

When my heart is beating slow, I know where to go  
When I'm feeling lost and cold, I know where to go  
When my heart is beating slow, I know where to go  
When I'm feeling lost and cold, I know where to go

When I am lost, when I am down  
When I feel cold and I can't find  
The right, direction  
When I am lost lousing my mind  
When I feel cold and I can't find  
The right, direction (direction)
