

# Indestructible

Solence

I won't let  
This break me  
Even when the ground is shaking  
I'm steady  
I'm indestructible

I won't let  
This crush me  
Even when the world is breaking  
I'm ready  
I'm indestructible

My heart is made of fire  
My body's made of steel  
My hands are working harder  
Than what you think is real

So you can do  
Anything  
Anything  
Anything you want with me  
Honestly  
I dare you come and  
Beat me up  
Lock me in  
Yeah try it I would always always win  
Cuz

I won't let  
This break me  
Even when the ground is shaking  
I'm steady  
I'm indestructible

I won't let  
This crush me  
Even when the world is breaking  
I'm ready  
I'm indestructible

My back is made of iron  
My strength I find within  
And I will never bow down  
I don't care what you think

So you can do  
Anything  
Anything  
Anything you want with me  
Honestly  
I dare you come and  
Beat me up  
Lock me in  
Yeah try it I would always always win  
Cuz

I won't let

This break me  
Even when the ground is shaking  
I'm steady  
I'm indestructible

I won't let  
This crush me  
Even when the world is breaking  
I'm ready  
I'm indestructible

Indestructible  
I won't let  
I won't let  
Indestructible  
I won't let  
No I will not let this bring me down bring me down

I won't let  
This break me  
Even when the ground is shaking  
I'm steady  
I'm indestructible

I won't let  
This crush me  
Even when the world is breaking  
I'm ready  
I'm indestructible
