Solence

From up above I heard  
The angels sing to me these words  
And sometimes, in your eyes  
I see the beauty in the world

Oh, now I'm floating so high  
I blossom and die  
Send your storm and she lightning to strike  
Me between the eyes  
Eyes

Sometimes the stars decide  
To reflect in puddles in the dirt  
When I look in your eyes  
I forget all about what hurts

Oh, now I'm floating so high  
I blossom and die  
Send your storm and your lightning to strike  
Me between the eyes  
Cry

(Believe in miracles)

Oh hey, I'm floating up above the world now  
Oh hey, I'm floating up above the world now
