

Paralyzed

Solence

Lost...

Yeah I'm feeling lost within these walls
Lost without meaning without cause
I'm paralyzed

Stuck...

Yeah I'm feeling stuck within my mind
I can't get in I can't get out
I'm paralyzed

And the hero I'm waiting for me he won't show up
My body is fading and my mind's fucked up
I pray for someone to come and help me up, help me up

I am paralyzed, I am dead alive
There's no way out so God give me an answer
I am paralyzed, I am broke inside
There's no way out so God give me, yeah, God give me an answer

Cause it's getting colder every night
I'm under the covers crying out
I'm paralyzed
And the hero I'm waiting for he won't show up
My body is fading and my mind's fucked up
I pray for someone to come and help me up, help me up

I am paralyzed, I am dead alive
There's no way out so God give me an answer
I am paralyzed, I am broke inside
There's no way out so God give me, yeah, God give me an answer

God give me a clue
Someone tell me what I need to feel and what to do
God give me an answer
God give me a clue
Someone tell me what I need to feel and what to do
Please tell me what to do

Cause I don't know
No I don't know
No I don't

I am paralyzed, I am dead alive
There's no way out so God give me an answer
I am paralyzed, I am broke inside
There's no way out so God give me, yeah, God give me an answer

So God give me, yeah, God give me an answer

Lost...

Yeah I'm feeling lost within these walls
Lost without meaning without cause
I'm paralyzed
