

## Honey (Amsterdam Is Not L.A.)

Solex

A colony of bees swarmed on the saddle of his brand new bike ye  
ah

Ha ha aha

They have all this sunshine but they still buy hardtop cars

Cross your hands on the steering wheel

A little curve in the road

And suddenly you are proceeding east ... another and you head n  
orth

A colony of bees swarmed on the saddle of his brand new bike ye  
ah,

Ha ha aha

He was clearly making an impression on the two beauties

Ann and Jill, yeah, and he sat down.
