

## Pick Up

Solex

Come on  
You know  
You're not  
Like her

Got me on my knees  
I'd never heard her say  
Wished that I could stay  
I'm like her maybe be be be be be be

But i  
Love to  
Catch up  
With her

I want to oversleep  
I'm in this way too deep  
Wish that I could stay  
I'm like her maybe be be be be be be

You can  
Make some  
Hay with  
This kid

I'm in this way too deep  
I'd never heard her say  
That she's straight or gay  
I love her maybe be be be be be be be
