

## Some Solex

Solex

Some girl at the door is asking to see you.  
Well-to-do, looks like aircrew. she liked the  
View of you. some girl at the door is asking to  
See you. she's just doing a  
Background-check about a kind of hijack.  
Some girl at the door is asking to see you.  
Like a prize money can't buy, honey I'm here  
To blow-dry.
