

Better Off Dead

Solid Base

baby what we have is magical must have been loving after all 'c
aus i felt it deep down inside

but baby now the word is out on town friends are telling me you
r messing around i should have seen it but i must have been bli
nd

it's about time to end this story once and for all about time b
abe whe're out of miracles

Chorus i'm better of dead than with you better of alone then be
ing two you always remind me how life should not be baby it's s
ad but true i rather be on my own after all you said and done i
'm better of dead boy...than with you

My baby used to carves our names in wood now that all venge is
gone for good what is left now is pain memories

You promise me love will check beyond And all you really left m
e washing down I've gotta tell ya I'm sick more than this

it's about time to end this story once and for all about time b
abe whe're out of miracles

We set no more secrets Baby no more lies I made a promise for t
he rest of my days You better believe it The joy of this feelin
g You will be approved(better of dead)
