

## Don't Make Me Wait

Solid Base

Why you causing me such pain  
Yo all this pain, yo all this pain  
You gotta know it's driving me insane  
Yo so insane, yo so insane  
Why you causing me such pain  
Yo all this pain, yo all this pain  
You gotta know it's driving me insane  
So yo, quit playing this game

Don't make me wait  
(Don't make me wait, don't make me wait)  
Forever keep the faith  
(Keep the faith, keep the faith)  
Don't make me wait  
(Don't make me wait, don't make me wait)  
Forever keep the faith  
(Keep the faith, keep the faith)  
Don't make me wait (Don't make me wait)

Why you causing me such pain...

Don't make me wait 'cause I'm all alone  
Just keep the faith. We'll make it to dawn  
I know you say that you will be there  
I do believe we'll make it, I swear
