

Show Me Love Tonight

Solid Base

Everybody listen to the sound of the music
The feel of the wave is more than magic anyway
Is it time, is it love.
Is it time to show me love

Show me love, love.
Show me love tonight
Show me love, love.
Show me love tonight
Show me love

Take a look around you. Can you feel the music
People dancing everywhere to the sound of the beat
Is it time, is it love.
Is it time to show me love
