

# This Beat of My Heart

Solid Base

Day after day  
Passing on by  
Where are you now?  
Nowhere to hide

Time drifting away  
Like the morning sun  
Never too late

Can't you see it in my eyes?  
There might be a last goodbye  
Can't you see it in my eyes?  
Cause we might never love

This beat of my heart goes  
na na na  
This beat of my heart  
na na na  
If we could be together  
And love forever and ever

This beat of my heart goes  
na na na  
This beat of my heart  
na na na  
Everyday, yesterday  
All these days??

Time after time  
Passing on by  
Where are you now?  
Nowhere to hide

Time drifting away  
Like the morning sun  
Never too late

Can't you see it in my eyes?  
There might be a last goodbye  
Can't you see it in my eyes?  
Cause we might never love
