

## Forever I Do

Solid Harmonie

I had a heart so close to breaking  
You came along in time to save it  
I never believed in happy endings  
No storybook for me was made  
But you gave me love - you gave me hope  
You showed me how to live again  
And if I try - from now 'til I die  
I could never repay you  
And if the sun the moon the stars  
Fall from the skies  
Or should the rivers cease to flow  
From mountains high  
I'd still be loving you - Forever I do  
I know it sounds crazy but I  
Never thought I'd see  
The day someone would find the  
Love that lies in me  
But darling you - found the truth  
Gave so much love to a girl  
You are the center - the light of my world  
When the sun the moon the stars  
Fall from the skies  
Or if the rivers cease to flow  
From mountains high  
I'd still be loving you - Forever I do  
No love as right as ours - none  
Shines as bright as ours  
The world I'd fight for us - I live and die  
For us
