

Fast Pain Relief

Solitary Experiments

Wasted money for a terrible price
Senseless loss of precious time
Countless spam mails to advise:
Non-prescription medicine

Empty promise to improve your life
Well designed by modern science
Only intended to incite even more greed
Don't you see, it's all deceit

What you expect is what you receive, cause we deliver
fast pain relief
You always wanted and now you believe the pain that hurts
has disappeared

False impression of what's really going on
That, which doesn't kill you, makes you strong?

Psychological addiction will put you to chains
Chemical reactions may damage your brain

Please enter your name and your email address
You are just one step away from temporary bliss
Severe side effects of a long-term therapy
May God bless all the pharmacy!

What you expect is what you receive, cause we deliver
fast pain relief
You always wanted and now you believe the pain that hurts
has disappeared
