

# Beautiful Brown Eyes

Solomon Burke

Baby oh baby  
I love you  
I need you so much  
It hurts

Oh, how can a man love a woman  
Who constantly cheat and flirt?

Beautiful  
(Oh, beautiful brown eyes)  
(Beautiful) Beautiful  
(Oh, beautiful brown eyes)  
(Beautiful) Beautiful  
(Oh, beautiful brown eyes)  
I'll never see my brown eyes no more

Every night in my room  
I keep waiting  
Just waiting for the ring,  
For the phone  
But I won't give  
Just one more night, baby  
For it's so bad to be so alone, oh!

Beautiful  
Oh, she's so beautiful  
(Beautiful)  
How can I forget?  
(Oh, beautiful brown eyes)  
(Beautiful) Yes, she was  
(Oh, beautiful brown eyes)  
I'll never see my brown eyes no more

Well I'm goin' down to Old Joey's  
And I smile as I walk through the door  
Woa now, and I raise my glass to old joy  
And I tell'em all,  
Tell'em about the girl I never ever will see no more  
That ole brown eyed girl now

Beautiful, beautiful  
(Oh, beautiful)  
Brown, brown, brown, brown eyes  
(Beautiful)  
Yes, she was  
(Oh, beautiful brown eyes)  
Brown, brow, brown  
(Beautiful)  
Don't you know that she was  
Beautiful
