I Said I Was Sorry

Solomon Burke

I said I was worry
For doubtin' your word
I said I was sorry
For listenin' to the rumors I heard

Oh come on, baby
There's no use in you bein' unkind
'Cause I'm gonna keep a-sayin' I'm sorry
Keep right on sayin' I'm sorry
Sorry, sorry, hey
If it take me all night

I said I was sorry
For sayin' you were untrue
I said I was sorry
For not trustin' in you

Oh come on, baby
You might as well hold me tight
'Cause I'm gonna keep a-sayin' I'm sorry
Keep right on sayin' I'm sorry
Sorry, sorry, hey
Till you change your mind

I know I made a big mistake
But now my heart's just about to break
Baby, don't you put it that way
I said I was sorry, what more can I say?

I said I was sorry
(Don't you tell me no lies)
For not believin' in you
(Don't you tell me no lies)
I'm sorry
(Don't you tell me no lies)
For thinkin' you lied
(Don't you tell me no lies)

Oh come on, baby
No use in your bein' unkind
'Cause I'm gonna keep a-sayin' I'm sorry
Keep right on sayin' I'm sorry
Oh babe, if it takes me all night
Don't you know if it takes me
If it takes me all week, all year, all month
Baby, baby, sorry, sorry...
