

Send Me Some Loving

Solomon Burke

Please, send me some loving
Send it, send it I pray
So I can love you
Every night and every day

My days are so lonely
My lonely nights are so blue
I'm here and I'm lonely, lonely
Baby, I'm waitin', waitin' for you

Won't you send me your picture
It would mean so much
I long for your lovin', lovin'
Baby, I'd die for your touch

Oh, my days are so lonely
I want you to know my nights are so blue
I'm here and I'm lonely
Baby, I'm waitin', waitin' for you

Please, please send me your loving
Baby, I'm waitin', waitin' for you
