

Since I Met You Baby

Solomon Burke

Since I met you, baby
My whole life has changed
Since I met you, baby
My whole life has changed
And everybody tells me that I'm not the same

I don't have nobody to tell my troubles, too
I don't have nobody to tell my troubles, too
'Cause since I met you, baby, all I need is you

Since I met you, baby, I'm a happy man
Yes I am
Since I met you, baby, I'm a happy man
And I'm going to try
And please you every way I can

For the first day you stepped into my life
You let me up like I was a Christmas tree
That was one of the good things
You'd done for me
That changed all my thoughts
To good thoughts
This showed me
How sweet love could really be
And darling, you made a king out of me
And when we walk down the street together
Holding hands
I feel like I'm the ruler and the leader
Of my land
I know then that you're the Queen
Oh, darling, in a dream

Since I met you, baby, I'm a happy man
Since I met you, baby, I'm a happy man
And everybody tells me that I'm not the same
Since I met you, baby
My whole life has changed
Since I met you, baby
My whole life has changed
