

The More

Solomon Burke

the more i touch you
the more i want your warm caress
the more i see you
is more days i have of happiness
the more i kiss you
the more i thrill inside
and i want more and more and more of you
the more i hear your voice
the more loving that it sounds
the more i'm with you
the more i want to be around
the more that you hold me
the more secure that i feel
and i know more and more this love of ours is really real
we don't have to say we'll climb the highest mountain
we don't have to say we'll swim the deepest sea
cuz with a love like ours that's really real, really real
we don't have to lie about impossibilities
the more of the many pleasures darling that we share give
me more happy memories
in the hours you cannot be here
the more i think of you
the more i don't want to forget
and the more we see each other
the more we're like lovers that just met
