

The Other Side Of The Coin

Solomon Burke

Well if I've done all the things folks say I've done
I'd be in the ground or somewhere on the run
Take a look before you close the book
Look at the other side of the coin

Yes there's much in life for which I could atone
But let him without sin cast the first stone
But before you do there is still one more point of view
On the other side of the coin

I'm just a man sometimes foolish and proud
All too quick sometimes to really play up to the crowd
But before you judge me if judge you must
Take your time be sure that the verdict is just

Before you do there's one more point of view
Can you stand up and say, justice has been done today?
Oh I was wrong so wrong before you see what's going
On the other side of the coin

Yes there's much in life for which I could atone
But let them without sin get up and cast the first stone
But before you do there is still one more point of view
On the other side of the coin
On the other side of the coin
Oh yeah...
